## MEDIA ADVISORY

**To : All media**  
**Date : 03 February 2025**

### THE MINISTER OF DCDT, SOLLY MALATSI TO LAUNCH THE OAKLANDS HIGH SCHOOL STEM CYBERLAB

The efforts to turn more schools into digital learning centres and smart schools continues as the Minister of Communications and Digital Technologies, Mr. Solly Malatsi together with the Deputy Mayor of Cape Town, invites you to the launch of the SITA STEM Cyberlab in Lansdowne.

This initiative aims to expand digital learning opportunities and equip learners with critical ICT skills to thrive in the digital economy.

The national Cyber Lab programme is a national initiative of the State Information Technology Agency (SITA); and is aimed at investing in the creation and expansion of smart schools. This is also aligned to the DCDT vision of SITA reasserting itself as the leader in driving ICT transformation in government.

The lab is envisioned to enhance the learner's academic development and teacher's learning materials through the internet connectivity that is provided in conjunction with the Cyber Lab infrastructure.

This is a countrywide project which has seen provinces like Eastern Cape, Northern Cape, Limpopo, KwaZulu-Natal, and North West receiving the Cyberlabs which comes with internet connectivity to the school, robotics training for the learners and laptops with desks and chairs.
